3. Where by reason of the provisions of paragraph 1 of this Article, a person other than an individual is a resident of both Contracting Parties, then it shall be deemed to be a resident only of the Party in which its place of effective management is situated.

#### **Article 5 Permanent Establishment**

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

- (a) a place of management;
- (b) a branch;
- (c) an office;
- (d) a factory;
- (e) a workshop;
- (f) a sales outlet;
- (g) a farm or plantation; and
- (h) a mine, an oil or gas well, a quarry or any other place of exploration, extraction or exploitation, of natural resources.

3. The term "permanent establishment" also encompasses:

- (b) the furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by the enterprise for such purpose, but only if the activities of that nature continue (for the same or a connected project) within a Contracting Party for a period or periods aggregating more than 183 days within any twelve month period.

4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:

- (a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
- (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
- (c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
- (d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;

- (f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) to (e) above, provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2 of this Article, where a person – other than an agent of an independent status to whom paragraph 7 of this Article applies – is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting Party an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that Party in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 of this Article which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. Notwithstanding the preceding provisions of this Article, an insurance enterprise of a Contracting Party shall, except in regard to reinsurance, be deemed to have a permanent establishment in the other Contracting Party if it collects premiums in that other Contracting Party or insures risks situated therein through a person, other than an agent of an independent status to whom paragraph 7 of this Article applied.

7. An enterprise shall not be deemed to have a permanent establishment in a Contracting Party merely because it carries on business in that Party through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business. However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise, and conditions are made or imposed between that enterprise and the agent in their commercial and financial relations which differ from those which would have been made between independent enterprises, he will not be considered an agent of an independent status within the meaning of this paragraph.

8. The fact that a company which is a resident of a Contracting Party controls or is controlled by a company which is a resident of the other Contracting Party, or which carries on business in that other Party (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

## **Article 6 Income From Immovable Property**

1. Income derived by a resident of a Contracting Party from immovable property (including income from agriculture or forestry) situated in the other Contracting Party may be taxed in that other Party.
2. The term "immovable property" shall have the meaning which it has under the law of the Contracting Party in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufructs of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, quarries, sources and other natural resources; ships and aircraft shall not be regarded as immovable property.

4. The provisions of paragraphs 1 and 3 of this Article shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

### **Article 7 Business Profits**

1. The profits of an enterprise of a Contracting Party shall be taxable only in that Party unless the enterprise carries on business in the other Contracting Party through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other Party, but only so much of them as is attributable to that permanent establishment.
2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting Party carries on business in the other Contracting Party through a permanent establishment situated therein, there shall in each Contracting Party be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.
3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the Party in which the permanent establishment is situated or elsewhere, which are allowed under the provisions of the domestic law of the Contracting Party in which the permanent establishment is situated.
4. Insofar as it has been customary in a Contracting Party to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 of this Article shall preclude that Contracting Party from determining the profits to be taxed by such apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.
5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.
6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

### **Article 8 Shipping and Air Transport**

1. Profits of an enterprise of a Contracting Party from the operation of ships or aircraft in international traffic shall be taxable only in that Party.
2. The provisions of paragraph 1 of this Article shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

### **Article 9 Associated Enterprises**

1. Where:
  - (a) an enterprise of a Contracting Party participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting Party, or
  - (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting Party and an enterprise of the other Contracting Party,and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by

reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting Party includes in the profits of an enterprise of that Party - and taxes accordingly - profits on which an enterprise of the other Contracting Party has been charged to tax in that other Party and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Party if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Party shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting Parties shall if necessary consult each other.

### **Article 10 Dividends**

1. Dividends paid by a company which is a resident of a Contracting Party to a resident of the other Contracting Party shall be taxable only in that other Party.

2. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the Contracting Party of which the company making the distribution is a resident.

3. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the dividends, being a resident of a Contracting Party, carries on business in the other Contracting Party of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in the other Party independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

4. Where a company which is a resident of a Contracting Party derives profits or income from the other Contracting Party, that other Party may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other Party or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other Party, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other Party.

5. No relief shall be available under this Article if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the shares or other rights in respect of which the dividend is paid to take advantage of this Article by means of that creation or assignment.

### **Article 11 Interest**

1. Interest arising in a Contracting Party and paid to a resident of the other Contracting Party shall be taxable only in that other Party.

2. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purposes of this Article.

3. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the interest, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the interest arises, through a permanent establishment situated therein, or performs in the other Party independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner of the interest or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.

5. No relief shall be available under this Article if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the debt-claim in respect of which the interest is paid to take advantage of this Article by means of that creation or assignment.

## **Article 12 Royalties**

1. Royalties arising in a Contracting Party and paid to a resident of the other Contracting Party may be taxed in that other Party.
2. However, such royalties may also be taxed in the Contracting Party in which they arise and according to the laws of that Party, but if the beneficial owner of the royalties is a resident of the other Contracting Party, the tax so charged shall not exceed 5 per cent of the gross amount of the royalties. The competent authorities of the Contracting Parties shall by mutual agreement settle the mode of application of this limitation.
3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films, films, tapes or discs used for radio or television broadcasting), any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, industrial, commercial or scientific equipment or for information concerning industrial, commercial or scientific experience.
4. The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the royalties, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the royalties arise, through a permanent establishment situated therein, or performs in the other Party independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Royalties shall be deemed to arise in a Contracting Party when the payer is a resident of that Party. Where, however, the person paying the royalties, whether he is a resident of a Contracting Party or not, has in a Contracting Party a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the Party in which the permanent establishment or a fixed base is situated.
6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.
7. No relief shall be available under this Article if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the rights in respect of which the royalties are paid to take advantage of this Article by means of that creation or assignment.

3. The taxation on a permanent establishment which an enterprise of a Contracting Party has in the other Contracting Party shall not be less favourably levied in that other Party than the taxation levied on enterprises of that other Party carrying on the same activities. This provision shall not be construed as obliging a Contracting Party to grant to residents of the other Contracting Party any personal allowances, relief and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

4. Except where the provisions of paragraph 1 of Article 9, paragraph 4 of Article 11, or paragraph 6 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting Party to a resident of the other Contracting Party shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned Party.

5. Enterprises of a Contracting Party, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting Party, shall not be subjected in the first-mentioned Party to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned Party are or may be subjected.

6. In this Article the term "taxation" means taxes covered by this Agreement.

### **Article 24 Mutual Agreement Procedure**

1. Where a person considers that the actions of one or both of the Contracting Parties result or will result for him in taxation not in accordance with this Agreement, he may, irrespective of the remedies provided by the domestic laws of those Parties, present his case to the competent authority of the Contracting Party of which he is a resident or, if his case comes under paragraph 1 of Article 23, to that of the Contracting Party in which he has the right of abode or is incorporated or otherwise constituted (in the case of the Hong Kong Special Administrative Region) or of which he is a national (in the case of Qatar). The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting Party, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic laws of the Contracting Parties.

3. The competent authorities of the Contracting Parties shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement.

They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting Parties may communicate with each other directly, including through a joint commission consisting of themselves or their representatives, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

### **Article 25 Exchange of Information**

1. The competent authorities of the Contracting Parties shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws of the Contracting Parties concerning taxes covered by the Agreement, insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1.

2. Any information received under paragraph 1 of this Article by a Contracting Party shall be treated as secret in the same manner as information obtained under the domestic laws of that Party and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes referred to in paragraph 1 of this Article. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 of this Article be construed so as to impose on a Contracting Party the obligation:

(a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting Party;

(b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting Party;

(c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (ordre public).

4. If information is requested by a Contracting Party in accordance with this Article, the other Contracting Party shall use its information gathering measures to obtain the requested information, even though that other Party may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 of this Article but in no case shall such limitations be construed to permit a Contracting Party to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 of this Article be construed to permit a Contracting Party to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

### **Article 26 Fiscal Privileges**

Nothing in this Agreement shall affect the fiscal privileges, including those of members of consular posts, provided for under the general rules of international law or under the provisions of special agreements.

### **Article 27 Entry Into Force**

1. The Contracting Parties shall notify each other in writing, through appropriate channels, of the completion of the procedures required by their laws for the bringing into force of this Agreement. The Agreement shall enter into force on the date of the later of these notifications.

2. The provisions of the Agreement shall have effect:

(a) in the Hong Kong Special Administrative Region, in respect of Hong Kong Special Administrative Region tax, for any year of assessment beginning on or after the first day of April of the calendar year immediately following the year in which the Agreement enters into force;

(b) in Qatar:

(ii) with regard to other taxes, in respect of taxable years beginning on or after the first day of January of the calendar year immediately following the year in which the Agreement enters into force.

### **Article 28 Termination**

1. This Agreement shall remain in force until terminated by a Contracting Party. Either Contracting Party may terminate the Agreement, through appropriate channels, by giving the other Contracting

Party written notice of termination at least six months before the end of any calendar year following the expiration of a period of five years from the date of its entry into force.

2. The Agreement shall cease to have effect:
